A Note From The Teacher

I hope you had an incredible Christmas and New Year with your loved ones! I pray that this new year brings many blessings and joy to you and your family.

I am so excited to share that Mr. Jacob will be joining our staff as the music teacher! With the background he has in working with music and kids, he will be a great fit!

As the winter season continues, we want to offer car pick-up to our families. Car pick-up will begin January 16th. You must sign up in order to participate in car pick-up. You may sign up at any point of the winter season. I will send an email out the week before, explaining the procedure.

Your kiddos have been excelling in school. We appreciate your continued partnership with the teachers, in helping your kiddos grow socially and academically.
