

Nazarene Preschool
Approved Snack List – Revised 7/20

Due to the COVID-19 Virus, there have been some changes in how families will bring snacks in. First, we will no longer be offering organic apple juice. Each child will be bringing in their own water bottle. Please write your child's name on their water bottle. If they need more water during the day, we will fill the bottle up for your child. We are still being conscientious of the nut allergies in our building, we have developed this approved snack list. It is important that you buy **only the products and brands** listed and read the label for ingredients and manufacturer warnings "may contain..." or "made in a plant served with nuts. Some classrooms may have special needs that will require changes to this list. Parents in these classrooms will be notified by their teacher. If you are not sure about a snack, please check with the teacher or director. **Items not on this approved list will be sent home. This year we will not be able to have parents bring in bags of pretzels or a box of goldfish crackers. Instead, we are asking parents to bring in a box of individual wrapped snacks that are listed below. Teachers will keep all snacks in their cabinets.**

Daily Snack Items
