### Important Information

\*If you would like to sign your child up for Summer Camp, please contact Chris Molenhouse at Nazarene Precreation.

\*If you registered for preschool next year, we will be mailing out the welcome back to school packets mid-August.

### Wish List

\*Please make sure that if you receive a letter regarding tuition or other fees that are still owed to the preschool, that they are paid before the end of May.

\*If you move over the summer or change your phone number, please advise the preschool.

### A Look Ahead

I cannot believe I am sending out our May newsletter already. Where did the time go? Even though we had to adhere to Covid-19 restrictions, we made it a whole year school year in-person. We even had our own remote classes so students could still have fun learning and being part of a preschool atmosphere. Without all of you, our parents, following the guidelines we put in place; we would have never been able to have an amazing year as we did. The best part is that all of the children still had fun learning, making friends, and creating memories of a lifetime.

As we look towards May, all of our classes will be finishing up learning about the letter z, and then reviewing all the skills they learned since they day they arrived.

I wanted to take the time to thank all of you for trusting not only me, but our staff, with the new way we had to design preschool for this year to keep everyone healthy and safe. We are not sure what next year will look like, but we do know we can handle it.

Wishing all of our families a safe and healthy summer. For those students who are leaving us to attend kindergarten, we know you will be amazing, but we will miss you like crazy.

*Ms. Peggy, Preschool Director*
