

Nazarene Preschool

Approved Snack List – Revised 7/21

Each student is to bring in two items off the **Daily Snack Item List** for their classroom. Please bring in these two items the day that you bring in your school supplies. We will once again not be providing apple juice, **so please make sure your child brings in his/her own water bottle with his/her own name printed on it. They will be taking it home each day after school is over. If they need more water during preschool time, we will fill the bottle up for your child.** We are still conscientious of the nut allergies and other food allergies in our school, so we have developed this approved snack list. **It is important that you buy only the products and brands that are listed on this sheet. Please read the label for ingredients and manufacturer warnings “may contain...” or “made in a plant served with nuts.** Parents in these classrooms will be notified by their teacher. If you are not sure about a snack, check with the director. **Items brought in that are not on the approved list will be sent home.** We thank you for keeping all of our students safe.
