Important Information

*Information regarding the Fall Festival Program and Costume Parade will be sent home next week.

*10/19-10/20-"We Wear Pink In October" our school will be wearing pink these two days to honor Breast Cancer Awareness in October.

*10/21&10/22- Naz Spirit Days! Wear your favorite Nazarene Preschool spirit wear or you Naz Rec shirts.

*Please make sure to take your child to the bathroom before dropping your child off with his/her teacher in the morning.

*Recipes for our Nazarene Preschool Cookbook are due on Friday, October 15th. We can't wait to start seeing all of the yummy recipes our families are going to share with us.

*The Lemont Fire Department will be visiting our school on October 28th and October 29th

Wish List

*We still have spaces available in our 3s program, if you know of any friends that are looking for preschool for their children, please have them contact me.

A Look Ahead

Wow, we are already a month into preschool. I am not even sure where September went. All of the students have adjusted and are learning so many new skills, along with making new friends, and having fun being at school. Our October is full of a lot of fun activities. Please make sure to continue to look at our calendar that is sent home and the one that is on the APP along with letters that are sent home. As we head into October and the weather changes, I will be sending home a letter regarding our Morning Drop Off and Afternoon Pickup procedures that you can use.

Young 3s: Our Young 3s are doing an amazing job of getting adjusted to being at school. They are smiling and waving to their parents when they walk into school. That is a huge accomplishment, and I am so proud of each of them. I love seeing them having fun and making new friends and making great projects.

Terrific 3s: All of the 3s are doing a great job in learning new skills, having fun playing in centers. We are so proud of all they are accomplishing so far. Please continue to work with coloring with crayons at home so your child knows the proper way to hold a crayon.

Fantastic 4s: Our 4s are working really hard on printing their letters, numbers and first name on their own without tracing. Please make sure to work on this skill along with cutting while your child is at home with you. The students are so excited to print their names on their own, and we are proud of all of their accomplishments. Continue working with your child on printing their first name and the letters they are learning at school.

Have a great Fall!!!

Ms. Peggy McDermott
Preschool Director
