CLASSROOM NEWS

The kiddos have settled into the rhythm of their class, and are thriving at school! I know that they can't wait to show you a little of what they've learned at our Fall Program this month.

The holidays are right around the corner, and Naz Preschool will have the opportunity to participate in the *By the Hand Club for Kids Christmas* this holiday season. The program will kick off the week of November 5th. For more details, please see the attached flyer.

We believe in partnering with our parents, and "helping them win". In our First Naz APP, we have launched a "Helping Parents Win Resource" tab with monthly articles that are meant to help and encourage you along this journey of parenthood.

This month, the kiddos are also learning the importance of thankfulness and the meaning behind Thanksgiving. We are so thankful that you have chosen Naz Preschool as the place for your child to grow and develop into the awesome person God has made them to be!
