CLASSROOM NEWS

I hope you had an incredible Christmas and New Year with your loved ones! I pray that this new year brings many blessings and joy to you and your family.

As the winter season continues, I want to remind you that we have car drop-off and pick-up available to our families. To ensure we continue safe pick-up procedures, you must sign up in order for car pick-up. Please email Mrs. Meissl if you would like to sign your child up at any point of the winter season.

As we are in the midst of the winter, please keep an eye out for any email or APP notifications for school closings due to inclement weather.

We appreciate your continued partnership with the teachers, in helping your kiddos grow socially and academically. The teachers have so many new and fun things planned for your kiddos as the school year continues!
